

## PRESENTACION

<b>NOMBRE</b>	<i>Yoedri David</i>
<b>APELLIDO</b>	<i>Garcia Sierra</i>
<b>MATRICULA</b>	<i>21-EISM-6-050</i>
<b>MATERIA</b>	<i>Programación Orientada a Objetos</i>
<b>MAESTRO</b>	<i>Frank Reyes</i>
<b>PRACTICA</b>	<i>Radio Calculadora</i>
<b>FECHA</b>	<i>9/10/2024</i>

## RADIO CALCULADORA

The application window has a title bar "FUNCIONES NUMERICAS". It contains a date field "11/13/2024" and a text input field "ESCRIBA EL NUMERO" with placeholder "2". Below it is a text output field "SU RESULTADO" showing "0.909297426825682". On the left are buttons "APLICAR", "LIMPIAR", and "SALIR". A "FUNCIONES" panel lists radio buttons for SENO, LOGARITMO, ASENO, TANGENTE, COSENO, ARCOTANGENTE, ACOSENO, and RAIZ CUADRADA. The "SENO" button is selected in the first screenshot, while "ACOSENO" is selected in the second.

The application window has a title bar "FUNCIONES NUMERICAS". It contains a date field "11/13/2024" and a text input field "ESCRIBA EL NUMERO" with placeholder "10". Below it is a text output field "SU RESULTADO" showing "-0.839071529076452". On the left are buttons "APLICAR", "LIMPIAR", and "SALIR". A "FUNCIONES" panel lists radio buttons for SENO, LOGARITMO, ASENO, TANGENTE, COSENO, ARCOTANGENTE, ACOSENO, and RAIZ CUADRADA. The "COSENO" button is selected in the first screenshot, while "LOGARITMO" is selected in the second.
